UNECON strategic partnership with industry – student career development

Student career development and employment is one of the most important direction of UNECON strategic partnership with corporate partners. UNECON arrange «Corporations Days», Job Fairs, individual meetings and thematic events with corporate partners (organized by Directorate on alumni and corporate partners relations and Alumni association).

Corporate partners provide a list of relevant vacancies for further students employment. There is special Office for Student Career Development in the Directorate on alumni and corporate partners relations, which helps students and graduates to find the best offers on the modern labor market.
